Another Year Begins

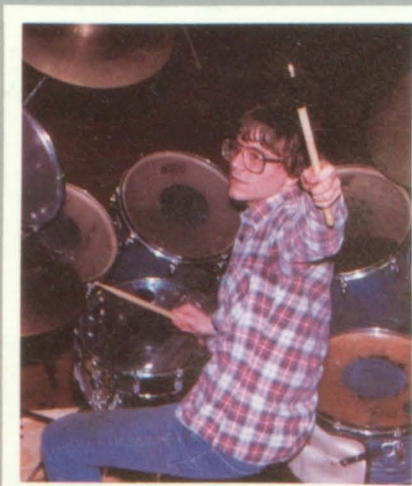

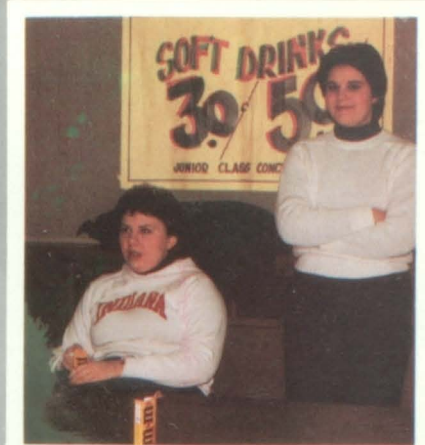

After our extra week of summer vacation filled with sunshine, summer workouts, parties, and much more; it was finally time to buckle down and hit the books. Even though the Seniors of the 82-83 school year were gone, the new Seniors were very

anxious to take their places. The Freshman came to BHS a little shy but quickly got involved in many activities. The Sophomores returned for the same old routine, while the Juniors started to prepare for Prom.

Juniors Dominate in Powder Puff

Homecoming activities began on Friday night with the Powder Puff game between the Junior and Senior girls. The half-time show consisted of various performances by the male drill team and majorettes, and the crowning of the Powder Puff King, Dan Nobbe. The game resumed and the Juniors beat the Seniors with a close score of 3-2.

A Perfect Day for a Harvest Homecoming

It was Friday, October 7, 1983. The beginning of a big weekend in Batesville. The 7th was the final day for preparation of floats, costumes, and strategies for the Powder Puff Game. The Homecoming activities began around 7:00 with the start of the Powder Puff Game. It was a soccer game between the Junior and Senior girls, with halftime entertainment by the Junior and Senior boys as Drill team and Majorette Corps, and the crowning of the Powder Puff King, Dan Nobbe. The game resumed and the Juniors won with a score

of 3-2. Activities for Friday were over and everyone went home in excitement for the day to come.

The day was here it was Harvest Homecoming Day. It was a beautiful day, the weather was sunny and warm, and there was excitement throughout the whole town. The parade began at 11:30, marched through town and led many fans to the field for the beginning of the game.

North Decatur had not scored after the 3rd quarter and Batesville had all of their reserve players in the game.

Well, North Decatur failed to score throughout the entire game giving Batesville the victory with a score of 115-0, a new Indiana High School State record!!

Homecoming festivities were not over for those who went out that night. The evening events consisted of a dance sponsored by the merchants with music by Endurance, many parties, and everyone had a good time. It turned out to be an enjoyable weekend for everyone.

Semi-Formal Dance

The Day After Christmas

Christmas break was full of excitement this year, for the day after was the Semi-formal Dance. It was held at the Hillcrest Country Club on December 26, 1983. Everyone danced the night away to the excellent music of "The Guys". It was a most enjoyable evening filled with the excitement of going out to eat and praying you wouldn't spill something on yourself, your parents taking so many pictures you wondered if you would ever make it to the dance, and pinning on the flowers hoping you wouldn't stick your date or yourself. All in all the evening turned out to be a great time for everyone!

The Senior class has been very productive and involved. Money earned throughout the years selling pop and sponsoring dances provided a terrific Junior-Senior Prom in 1983. Senior class officers were Kim Berggren-President, Patti Crowell-Vice-President, Dennis Siebert-Treasurer, and Dan Nobbe-Secretary. The Class of '84's motto is "Give us a place to stand and we will move the world."

JUNIORS

The Juniors of '85 were well organized under the leadership of Doug Struewing, President; Jon Butte, Vice-President; Theresa Holzbacher, Secretary; and Paul Fasbinder, Treasurer. Their sponsor is Mrs. Voegele.

The Juniors' main concern is the Jr.-Sr. Prom. They sold pop at basketball games and sold light blubs to raise the money. These Juniors are the first to organize an afterprom get together at the high school.

At Homecoming they were busy preparing for the Powder Puff game vs. the Seniors, (of course the Juniors won!) and building their float. Brenda Becker and Jill Hegwood were the class representatives.

With one year to go the Juniors hope to make it an "EXCELLENT ONE."

1984 Sports

Play-off Appearance and ElAC Champs

The 1983-84 Football Team finished their season with a 9-2 record. With a strong team returning from last year, they were able to accomplish many pre-season goals.

Highlights of the year included upsets over Lawrenceburg and South Dearborn. The victory over Greensburg gave them the ElAC crown. This year's team also made the first appearance in the State Playoffs in the history of Batesville High School.

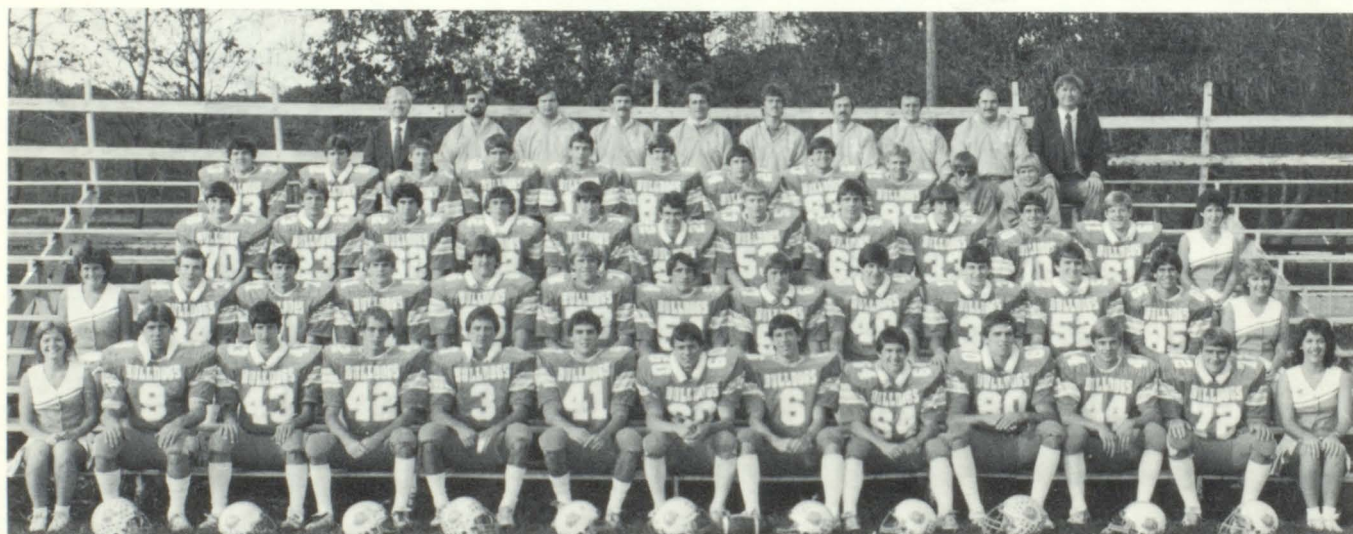

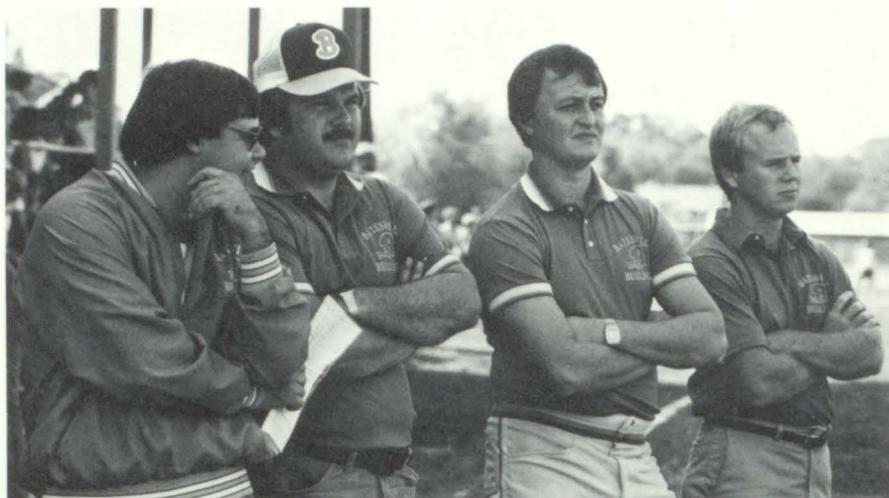

Many members of the team did well individually, also. Mike Hegwood, Co-Captain with Brian Siefert, was named Conference MVP, and to the South All-Star Team. Tony Gausman was named to the 1st Team Academic-All State.

Although the team will be losing many experienced players, a strong group of underclassmen will be ready to replace them.

For the second year in a row, the varsity volleyball team captured the Lawrenceburg Invitational Championship and the Sectional Crown. They advanced to the final game of the Regional where they were defeated by a strong Columbus East team.

Coach Cheryl Parmer said the ladies represented Batesville well as they demonstrated a high level of volleyball skills, teamwork, and good sportsmanship. Their record for the season was a fine 19 wins and 4 losses, the best ever.

Another highlight for the Lady Bulldogs this year was, that for the first time ever, they were Conference Champions, and Junior Shelley Erhardt was selected EIAC All-Conference MVP.

Although next year the team will miss the unique skills and enthusiasm of seniors Maura Daily, Jenny Kinker, Shelly Miller, and Bonnie Riehle, they are looking forward to another good season.

The Doubles Team varied through the year with D.G. Geiser, Brian Bischoff, Mark Westerfeld, and Steve Harmeyer trading positions.

Girls Golf Swings Into Gear

This year the Girls' Golf Team had everything they needed to have a successful year. Unlike last year, they had a home golf course, they had more team members than ever before, and the majority of these girls were experienced players. The girls placed 2nd in the Conference and 4th in the Sectional, which was not quite up to the team's expectations. Although the team did not advance from the Sectional, Senior Anne Ekins did. Anne placed 2nd in the Regional and moved on to the State finals for the second consecutive year. Anne placed 7th in the State to finish her high school career. The team will lose only two players, so a great season can be expected in the fall of 1984.

Young Wrestlers Gain Experience

The 1984 version of the Batesville wrestling team was going down but full of heart. There was tremendous pressure on the younger grapplers due to the lack of seniors. But all three seniors showed leadership and passed on their experience. The Varsity was 6-7 overall and 2nd in the EIAC. Sectional Champs were Ken Dickman and Dan Nobbe. They also won conference titles along with Adam Stock. Dan went on to win the Regional and ended up a fine career at B.H.S. Look for the young Bulldogs next year. They will be a team to be contended with.

Dogs Led by Seniors

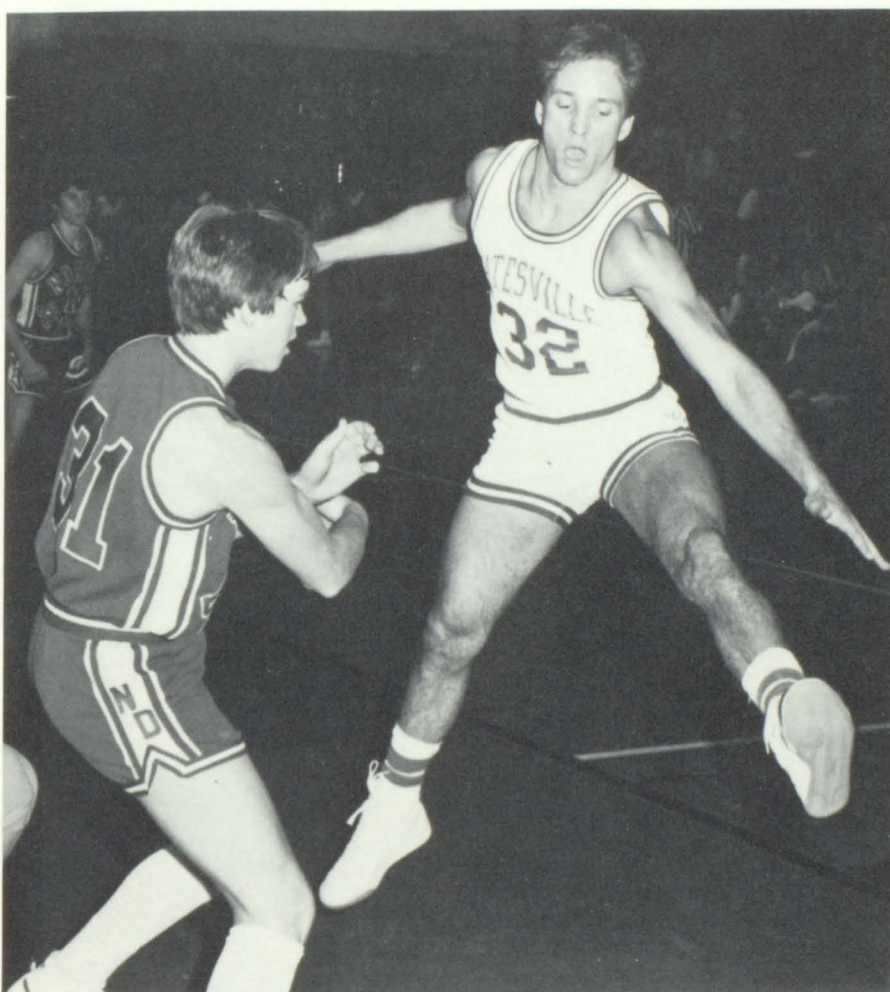

The 83-84 Varsity basketball team was led by five outstanding seniors. They were: Mike Galle, Mike Hegwood, Brian Siefert, Mark Moorman, and Joe Raver. They finished the season with a record of 14-8. As a team, they improved their defensive average holding their opponents to only 54.3 points per game. Mike Hegwood led the team with a 76 percent average from the free throw line and averaged 14.1 points per game. The season ended with a 41-39 loss to East Central in the final game of the Sectional.

Other leaders were Brad Abplanalp, Mark Martin, and Tim Bohman with 8.5, 5.9, and 3.9 points per game average, respectively.

Another Great Season (16-5)

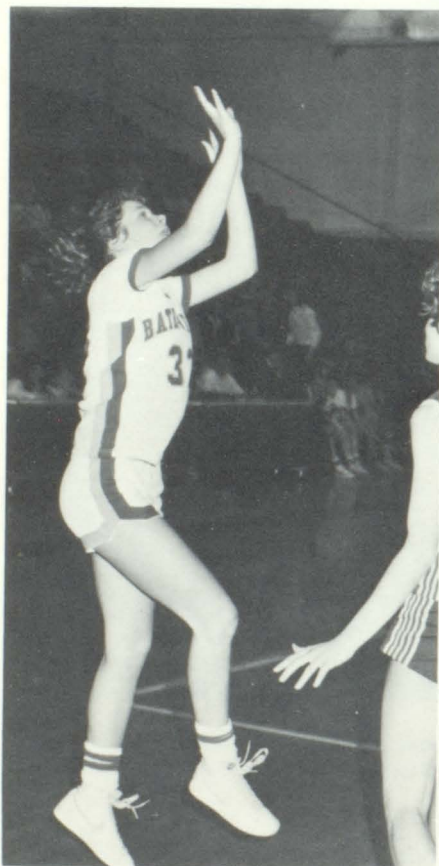

For the second year in a row the Lady Bulldogs took the Sectional Title and advanced onto the Regional at Columbus. They ended their season losing the first game against the Seymour Owls. With the Bulldogs only losing two of their starting five, they should be a strong team for the 84-85 season.

SPIRIT, HEY, FIRE-UP, ALRIGHT!

The Cheerleaders did an excellent job in showing their school spirit this year. They kept the fans fired up throughout the football and basketball seasons. They worked very hard over the summer to make their squad the best it could be!!

This year the Varsity Squad attended the United States Cheerleading Associations Camp at Purdue University. They learned new cheers and chants to keep the crowd fired up.

The Reserve Squad attended the International Cheerleading Foundation's Camp at the University of Louisville. They brought back many new ideas, cheers, and stack-ups.

Boys Golf Has Good Year

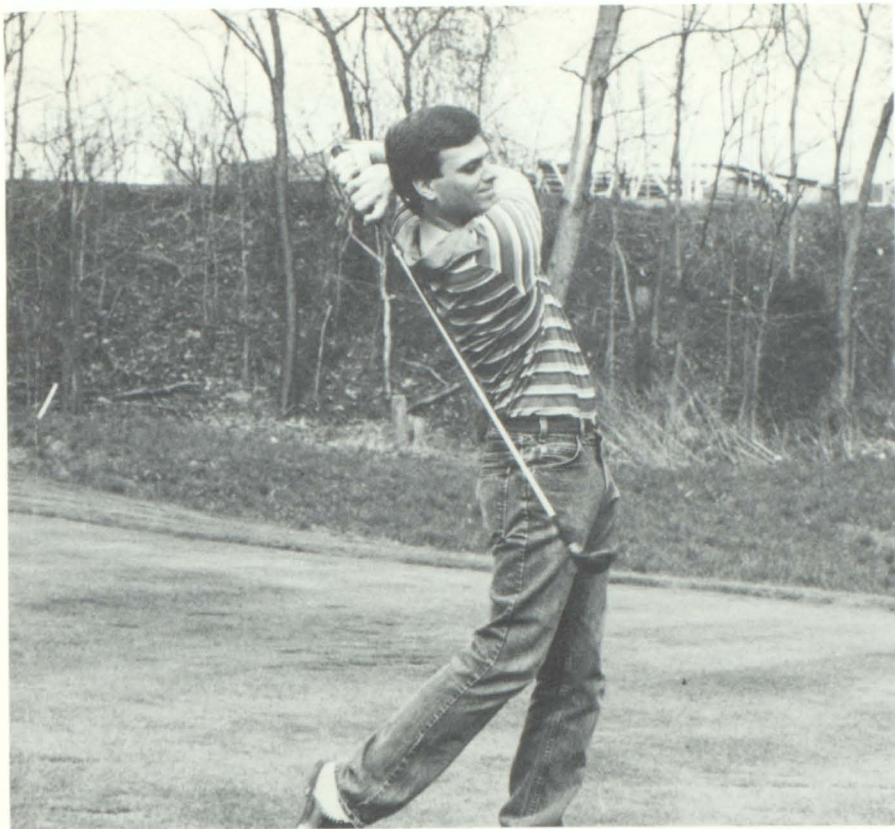

The 1984 Boys Varsity Golf Team, Coached by Rick Koch, consisted of Jeff Jennings, George Molinsky, Roger Lemen, Jason Schwettman, and Tony Kolter. This year the boys' team was very successful. They tied for 1st in the Conference, placed 2nd in the Sectional which advanced them to the Regional. In the Regional the team wasn't as successful as they would have hoped to be, and they failed to advance. On the other hand, though, Junior, George Molinsky placed third and did advance. Molinsky did not play well enough to advance from the Semi-State to the State finals. Unfortunately the team will be losing several good Seniors and Junior golfer Molinsky for the next season. Despite this the team is still looking forward to another great year.

Baseball Led by Seniors

The 1984 Batesville High School Varsity Baseball team finished the season with 10 wins and 13 losses. The team was led by senior Mike Galle who was named to the South All-Star team for Indiana. Mike set school records with 38 hits, 33 RBIs, 5 triples, 9 home runs, and a .494 batting average. Willie Hoegeman (.395), Mark Moorman (.353), and Ed Scheele (.348), all had fine seasons offensively, while Steve Stirn and Mark Martin played excellent defense. Specter

The Specter staff produces the school newspaper. Staff members write articles, proof-read, design lay up pages, and sell advertising. Approximately 8-10 issues and several flyers are produced each year. The Specter is printed by the **Herald Tribune**. Subscriptions are sold to students at the start of each year. Editors for this year's staff were: Jef Nobbe, Editor-in-chief; Brian Dieckmann, Co-Editor; Amy Naegele, Business Editor; John Hammerle, Sports Editor; Vickie Weisenbach, Front and Editorial Page Editor; Shelly Giesting, Creative and Organization Page Editor.

Leadership of the Student Body

The Student Council had another prosperous year with many new projects being incorporated into it. The most successful of these projects was the Slave Auction in which the Student Council members were sold off as "slaves for a day." This brought up the rear of a Student's Activities Day which was, to say the least, less than warm. Heading up the group was President Jackie Hunter, Vice-President Judy Amberger, Secretary Shelly Dickey, Treasurer Teri Dreyer.

The Batesville High School Marching Band

The band is a multi-faceted group of instrumental musicians, most of whom take band as a credit class. Although the band meets during the school day, its main emphasis lies in performance. The band as a marching band performs theme shows, precision drill shows, and corp-style shows at home football games. They perform in area parades and for all community parades. They occasionally do a marching show at basketball games. The band as a concert band performs light popular music including show tunes, T.V. and movie themes, Top 10 Hits; serious, classically oriented transcriptions, con-

cert marches, overtures, suites, contemporary compositions and other accepted and acknowledged masterworks of the concert band literature. The concert band competes in the spring and hosts the district contest. It also puts on a winter and spring concert in conjunction with the Middle School Bands. Individual students compete in January or February at solo to ensemble contest with many students receiving superior or "I" ratings. The stage band is a select group off-shoot which performs primarily at basketball games. Its repertoire includes rock, jazz, and pop tunes played with

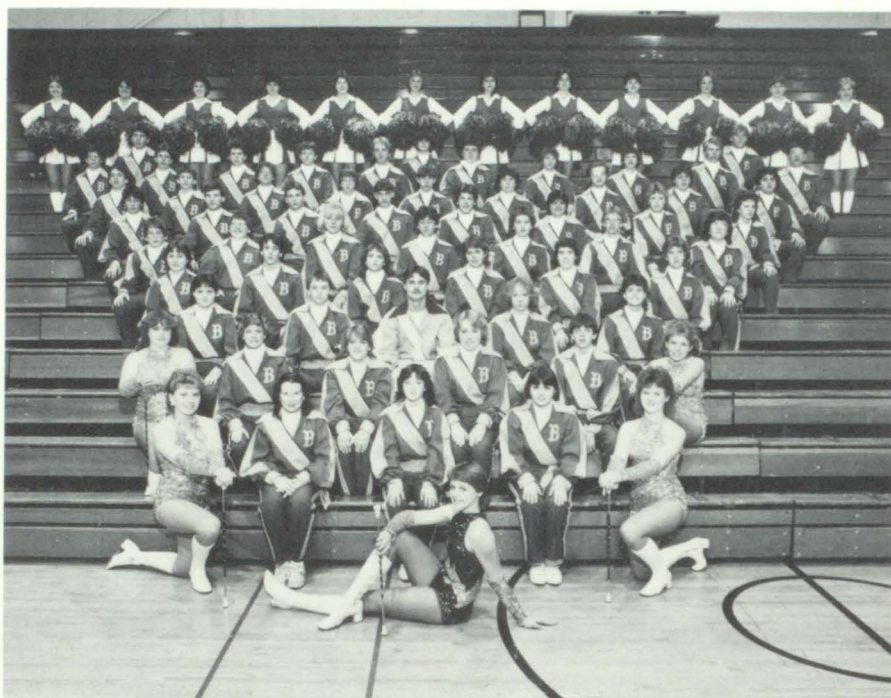

"gusto."

Band members also perform as individuals for their churches and in other local musical groups.

The band raises money through a fall magazine sale, November cheese and sausage sale, and from the sale of pizza kits sponsored by the Music Boosters.

The "dues" are \$6.00 uniform cleaning charge with a \$10.00 refundable deposit upon return of uniform.

Current officers are: Drum Major—Dennis Schoetmer, Treasurer—Dan Nobbe, Secretary—Shelly Dickey.

Majorettes

Left to right: L. Cook, L. Nobbe, S. Effinger, K. Fehlinger, and B. Fasbinder

The majorette corp is one of the auxiliary groups connected with the band (primarily marching.) They perform at all football and basketball home games during halftime and before games. They are a select group which is chosen in a try-out before qualified judges. As one of the auxiliary groups they help with the visual element of football shows and parades. They compete at various solo and ensemble events during the year. The only dues as such is the purchase of boots or shoes and possible props needed during the year. The auxiliary groups participate with the band in the pizza kit sale sponsored by the Music Boosters; the fall magazine and record sale; the cheese and sausage sale; and co-sponsor two sanctioned USTA twirling contest with Vicki's Vickettes. Current officers are: Head Majorette (chosen for leadership, enthusiasm, and ability)—the captain of the squad—Lisa Nobbe, Feature Twirler (chosen solely on ability, showmanship, style, and technical merit)—Sharon Effinger.

Drill Team

The drill team is one of the auxiliary groups which supports the visual element of the band. They are essentially a dance unit although their knowledge of props includes pom-pom; glove; disc; swing flags; and tall flags (pikes). They perform at all home football and basketball games and various parades. They compete in various contests throughout the year. No dues as such, just certain required purchases. They participate in the same fund raisers as the majorettes. Officers for 1984 were: Captain—Sandy Wehr and Co-Captain—Judy Amberger.

VICA

VICA (Vocational Industrial Clubs of America) is a co-curricular club for students enrolled in trade, industrial, technical, and health occupational training programs. The purposes of the club are to develop leadership, to perform community and civic services, and to participate in recreational and social activities.

Being a co-curricular club, all co-op students enrolled in the ICT and ICE programs at Batesville High School become members of the local VICA Club, Indiana VICA, and National VICA. Members have the opportunity to compete in individual and group leadership contests and skill contests on a regional, state, and national basis.

The local VICA club is divided into two sections, each having officers, which combine to form the Batesville

VICA Club. The sectional officers this year are: Presidents—Dan Eckstein and Steve Meyer, Vice-Presidents—Ed Horstman and Francis Bedel, Secretaries—Angie Dwenger and Ron Flaspohler, Treasurers—Alvin Davidson and Chris Oesterling, Reporters—Janet Lecher and Theresa Tingle, Parliamentarians—Mike Greenway and Joe Schwegman, and Sergeants-At-Arms—Matt Oesterling and Nick Flaspohler. The local VICA Advisor is Mr. Don Carmichael, the ICT/ICE Teacher—Coordinator.

The primary fund-raising activity is through payment of local club dues. According to the expense of club projects, other fund raising activities have been held. Most of the money is used to pay for the Annual Employer-Employee banquet, com-

munity projects, and for delegate and contestant expenses to conferences and contests.

The highlight of each year is the Employer-Employee Banquet, where the students have an opportunity to pay tribute to their employers and supervisors who have provided a place of employment whereby they have had the opportunity to learn job skills under actual working conditions.

Melanie Miller was a State Finalist this year, and competed in the State Nurse Assistant contest held in Indianapolis.

Janet Lecher was the Outstanding ICE student and Scott Wallpe was the Outstanding ICT student this year.

Three committees make up the Key Club. Membership, Fund Raising, and K-Relations. The chairmen are Diane Schrader, Kurt Ritter and Jef Nobbe, respectively.

Major projects for the 1983-84 year included helping with the bicycle safety program, the Harvest Homecoming Days and the Home Show. The main money making project was lining the soccer fields for the Kiwanis.

Memory Makers

There was a lot of time being taken to put together the 1983-1984 yearbook. Layout for each page had to be done and checked and rechecked before the pages could be sent to Texas for the final printing. Anne Ekins led the staff during homeroom as they tried to meet the necessary deadlines. We have a new advisor who is Mr. Larry Lemen. This year we have people assigned in different groups. Our Business manager is Vicki Pachuta and Co-editor, Brenda Back. We sold \$200 worth of ads more than last year. Students paid \$16.00 per book, but the total cost for the making of each of the books was nearly \$26.00. Hopefully, a lot of people would like to look up memories from when you were a senior, or a junior, or a sophomore, or even a freshman, in the Bulldog 1983-1984 yearbook.

Only one play, which was a musical, was performed by the Thespian Club this year. Since all members cannot be in each play, there is work for everyone in costumes, lighting, and backgrounds. Although most aren't bound for Broadway, fun was had by all. The officers are Sandy Wehr, Daphne Fledderman, Teri Dreyer, and Patti Crowell. Sponsor of the Thespian Club is Mr. Hayes.

"Another Openin' Another Show"

The 1983-84 Spring Musical was performed on the nights of May 11th and 12th. The musical, entitled "Another Openin' Another Show," combined the talents of the Thespians and the members of the Music Department and was under the direction of Mr. Hayes, Miss Terry, and Mr. Enneking. Mr. Zimmerman also contributed to the musical by helping with the instrumental music and providing harmonica music for the solo dance number.

"Another Openin' Another Show" consisted of scenes and songs from famous Broadway musicals: "A Chorus Line," "My Fair Lady," "The Sound of Music," "Flower Drum Song," "Most Happy Fella," "Gypsy," "A Little Night Music," "West Side Story," "Bye Bye Birdie," "The Music Man," "Cats," "Funny Girl," "South Pacific," "Finian's Rainbow," "They're Playin' Our Song," "Fiddler on the Roof," and "Kiss Me, Kate."

Thirty-six high school students participated in the production of "Another Openin' Another Show"—this includes the cast, the band, the light crew, and stage crew. Also, a special thanks went to Jack Laugle, Kevin Doyle, and Jeff Edwards—the three 1983 BHS graduates who helped make the show a success.

STAIRWAY TO HEAVEN

April 28, 1984, began with picture taking, pinning on of corsages, and a romantic dinner. Everyone's dress was of a formal attire, which set a royal mood for the evening.

We entered the prom through a starlight staircase ascending into our "Stairway to Heaven." The gym was decorated in the heavenly colors of blue and silver to compliment our theme. We danced to the sound of Rockbound all evening.

Shannon Keith and Mike Hegwood were crowned Queen and King of the Prom. Their court consisted of Jenny Kinker escorted by Joe Raver, and Anne Ekins escorted by Mark Geisting. As 11:30 rolled around, the gym began to clear, but the memories remained.

This year a little added extra event followed the prom. Everyone went home and changed and then returned to the high school for an evening of fun-filled activities. There was "gambling," dancing, movies, and refreshments. Every half hour a drawing was held and a prize awarded. At 3:30 A.M., a grand prize of \$300 was awarded to junior Steve Walke. It had been several years since an afterprom was held. There was a great turn-out, and everyone had a wonderful time.

Seniors *"Will Move the World"*

May 19, 1984, marked a day of mixed emotions for the class of 1984. Some graduates were happy; some felt a sense of accomplishment, and some felt relieved. Others were sad and sorry to leave their classmates of twelve years. The graduates entered the football field while the band played "Pomp and Circumstance". The senior class officers Kim Berggren, Patti Crowell, Dan Nobbe, and Dennis Siebert took the audience on an interesting ride down memory lane, recalling experiences from their freshman to their senior years of high school. The graduating girls with their long-stemmed red roses and boys with their red rose boutonnieres listened to Shelly Dickey as she sang "Old and Wise". The graduating class of 1984 shared their special occasion with the class of 1934, which was celebrating its fiftieth anniversary of their high school graduation. The class motto was "Give us a place to stand, and we will move the world." The class flower was the red rose, and the class colors were dusty rose and silver. The sponsor for the class of 1984 was Gene Wuestefeld.
